Sub:- Restoration of Eastern Kosi Afflux bundh

Sir,

Your organisation has been assigned the work of the restoration of Eastern Kosi Afflux bundh in the territory of Nepal. The task involved enormous risk and challenge as it was to be executed in the distant land in a very tough and difficult situation. Nevertheless, we are happy to congratulate you for plugging of the main breached portion of the Eastern Kosi Afflux bundh quite ahead of the scheduled time and we wish all the best to you for the timely execution of remaining work.

Thanking You,

Yours Faithfully,

(Devi Rajak)
